

An index to
Warwickshire History, Volumes I – VIII
 compiled by Christine Woodland

The first (Roman) figure given in the references is the volume number, the second (Arabic) figure is the issue number, the third figure is the page(s) number. 'Author' after a personal name indicates the author of the article. Place-names are indexed according to the system used in Warwickshire County Record Office, that is according to their parish in 1851.
